Dear Parent/Carer,

Woolf Sixth Form End of Year Letter

As we reach the end of another successful academic year, we wanted to share some of our many successes from the past ten months.

We are incredibly proud of all our students and wish them a well-earned, restful summer break. Their hard work, commitment, and resilience have continued to impress us across every aspect of school life.

Year 12 students have had a fantastic experience with their work placements this year. The feedback we've received from employers and students during our check-in conversations has been overwhelmingly positive, highlighting the valuable learning and personal growth gained during the week.

Throughout the year, Woolf students have taken part in a wide range of educational enrichment opportunities. These have included leadership roles such as Student Leadership, Stationers' one to one mentoring, Mark Evison Foundation, Young Enterprise, peer readers, and subject mentors for younger year groups. Subject-specific trips, including those in Law, Geography, Psychology, and Business, have further extended students' learning beyond the classroom, and this is just a few of the opportunities our students have accessed this year.

We commend Year 13 for showing incredible resilience during their final exam period. Their dedication was clear in their attendance at additional intervention sessions, and many continued coming into school during their study leave to seek extra support.

We're also delighted to report that attendance across Year 12 and 13 has remained consistently above the national average, with Year 12 reaching an all-time high. We are hopeful this trend will continue into the next academic year as students enter this important final phase of their studies.

This year, we've had countless reasons to celebrate our students. From celebration assemblies and teacher and tutor shout-outs to postcards home and a much-enjoyed pizza party, we have taken

every opportunity to recognise the day to day efforts and achievements of our students.

In July, we were pleased to welcome over 160 prospective students for our Woolf Taster Day and we are looking forward to meeting our new Year 12 cohort at their Induction Day on Monday, 1 September.

Ahead of the new school year, we would like to remind all parents/carers and students of the updated Woolf Sixth Form dress code, which will come into effect from September 2025. Full details can be found via the [link](#) provided.

Finally, we look forward to welcoming Year 13 students back to school on Thursday, 14 August from 9am to collect their exam results. We are excited to celebrate their achievements and hear about their plans for the next chapter.

Thank you once again for your support throughout the year. We wish you all a safe and enjoyable summer.

Kind regards,

Ms Eve Collier

Head of Woolf Sixth Form
